Dear *George*

Just a brief note to thank you and your team for the speedy turn round involved in the fit-out and delivery of our container kitchen for the King's Hall Pavilions.

The unit is easy to work and keep clean and is serving us, and our customers well, providing a method of delivering a hot food service where there wasn't a planned kitchen facility.

On a recent visit of our EHO it was commented that the unit was well designed and put together from a food hygiene point of view.

Again thank you and John for your prompt attention to our needs.

Best regards

Bruce
